ABOUT - WISCASSET

49 Water Street • Wiscasset, ME

Wiscasset

Wiscasset is a thriving and diverse community with unique assets and a fantastic infrastructure for a town of our size. Visitors can shop for anything from antiques to organic food, dine on the waterfront, explore nationally significant historical places, stay in first-class accommodations, and enjoy a myriad of recreational activities during their stay. Wiscasset truly is an incredible place to live, work, and play. See for yourself!

Living and working in Wiscasset embodies all of what life along the Maine coast should be, and so much more! Wiscasset boasts one of the State's most vibrant working waterfronts, buzzing with the summertime activities of lobster fishing, sport fishing, and clam and worm digging (National Geographic proclaimed Wiscasset the "Worm capital of the World.") It's a place where life slows to the ebb and flow of the tides of the Sheepscot and Back rivers. It's a place for waterfront dining, lazily kayaking the river, or quietly hiking the trails through one of the State's most prized scenic recreational areas. Both the community and the surrounding area are rich in heritage and cultural diversity, and they are home to thriving arts and artisan communities. Nearby are theaters, white sand beaches, world-renowned shopping centers, major concert venues, and sports arenas. Wiscasset offers something for everyone.
