PROPERTY HIGHLIGHTS

The Downs is redefining what retail looks like in Maine. This isn't a traditional shopping center—it's a new Town Center and a rare opportunity to be part of a modern mall experience built around real community and daily life.

Located just before the I-295/I-95 split, The Downs captures some of the highest traffic counts in the state, putting your business in front of thousands every day. With more than 700 homes already complete—and another 1,300 planned—your customer base isn't coming someday, it's already here. Over 50 businesses are open and thriving, creating a vibrant, walkable ecosystem of activity connected by trails and bike lanes.

This is where people live, gather, and return again and again.
